

Model 1640 – Label Content and Placement

"From KDB 784748 D01:

As an option to placing the FCC label on the exterior of the device, the FCC label may be placed in a user accessible area if the following conditions are met:

- The device is handheld (notebook computers are considered as handheld); **Yes**
- The FCC identifier is visible at the time of purchase. Marketing the device without the battery installed when the label is in the battery compartment is acceptable. The FCC ID on the box, or additional documentation directing the user where to find the FCC label, also satisfies this requirement; **Yes**
- The user accessible area must not require any special tools for access, and the FCC label must not be placed on a removable part; **Yes**
- The FCC ID, Model Number, or FCC logo must be on the label and must meet all general labelling requirements or policies that apply for Certification, Verification or DoC. **Yes"**
