Hi Yukari

thanks

As soon as I get the revised label and anything else, I can issue the grant.

Thanks

Dennis

Hi Yukari

For item 3 of the comments, please note that Part 15 states "25. However, receivers indicated as being subject to Declaration of Conformity that are contained within a transceiver, the transmitter portion of which is subject to certification, shall be authorized under the verification procedure."

This means that if the receiver is operating in conjunction with the transmitter it can be verified.

Let me know what you want to do.

Thanks

Dennis
