

A white microwave oven is shown from a top-down perspective. The control panel is located on the right side of the unit. It features a small black digital display showing '0:00'. Below the display is a numeric keypad with buttons for digits 1 through 9, 0, and a 'Power' button. To the left of the numeric keypad are several function buttons: 'Reheat', 'Defrost', 'Cook', 'Keep Warm', 'Stand By', 'Power Freeze', 'Auto Cook', 'Auto Defrost', 'Auto Reheat', 'Auto Warm', 'Auto Thaw', 'Auto Cook', 'Auto Warm', 'Auto Thaw', 'Auto Cook', 'Auto Warm', 'Auto Thaw'. To the right of the numeric keypad are buttons for 'Clock', 'Start', 'Light', 'Vent Fan', and 'On/Off'. The microwave door is on the left side, with a large rectangular window in the center. The window has a silver-colored metal mesh screen. The microwave is placed on a light-colored, possibly wooden, surface. A green power cord is visible on the left side of the microwave.
