Subject: Request for withholding from public disclosure the  
schematic diagrams, block diagrams, and operational description  
pursuant to an application for certification.

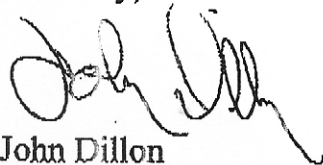

Ladies and/or Gentlemen:

Foxpro Inc would like to request that all schematics, block diagrams, and  
operational descriptions submitted with our application for certification be  
withheld from public disclosure per Section 0.459 of the FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the  
Commissions rules, and Section 522 (b) (4) of the Freedom of Information  
Act. These sections authorize the withholding from public inspection those  
materials which would be privileged as a matter of law if retained by the  
person submitting them, and materials which would not customarily be  
released to the public by that person.

If you have any questions or need additional information, please give me a  
call at (717) 248-2507.

Sincerely,

John Dillon  
President
