FCC ID CA6380
731 Confirmation Number EA454545

Date: April 9, 2003

From: Edward J. Foley
Southwest Microwave, Inc.

Per your request, Southwest Microwave submits the following documents as an addendum to our original submittal of March 10, 2003. The items contained in this submittal are the following:

Document	Description	Type File
04D13509RevL	Complete Schematic	PDF
380 Tech Manual	Users Manual	PDF
FCC Report380	Block Diagram and	
	RF Test Report	PDF
Emissions	Low Frequency Emissions	PDF
	Report	
Pictures		
PDRM 0003	Waveguide Fundamental	JPG
	Measurement	
PDRM 0004	2nd Harmonic Mixer	JPG
PDRM 0007	3rd Harmonic Mixer	JPG
PRDM 0011	3-Meter Test Site (Fund.)	JPG
PDRM 0019	3-Meter Test Site (Harm.)	JPG
PDRM 0021	3-Meter Test Site (Harm.)	JPG
PDRM 0042	Model 380 Circuit Board	JPG

We trust that this information will be sufficient to satisfy the submittal requirements.

The Model 380 is a high-end security system and the need is urgent. Our primary customers are the military and nuclear power companies.

Respectfully submitted,

Edward J. Foley
Vice President Engineering
Southwest Microwave, Inc.
