Dear Sir or Madam,

Subject: **Application for Grant of Authorisation on a Portable Transceiver (CASTPAB1A)**

This is our application for a Grant of Authorisation for our Digital Portable Type Code TPAB1A.

- (FCC ID: CASTPAB1A)

It is our intention to use encrypted data with this portable. We are unaware of any requirement in 47 CFR Part 90 rules which require us to seek special permission to do this. Can you please confirm if our understanding is correct.

Will you please add Grant Notes category BF to the Grant of Approval. It reads "The output power is continuously variable from the value listed in this entry to 20%-25% of the value listed "

Yours sincerely,

Des Fox
