Cover letter

Dear Timco:

Limited single modular

Since CCECMX-ZG03 module does not require 8 requirements for single-modular transmitter, we apply CCECMX-ZG03 as limited single modular. This module is only installed in (FCC ID : CCECIP-700SW & IC Number : 22254-CIP700SW, FCC ID : CCECIS-PM01&IC Number : 22254-CISPM01) and Door Lock System. Please refer functions and installation through "User's Manual" that I submitted before. This module also provides buffered modulation/data inputs, power supply regulation.

Sincerely,

Ji-Soo KIM / Principal Research
