* the applicant must designate a contact located in the United States for purposes of acting as the applicant's agent for service of process, regardless of whether the applicant is a domestic or foreign entity. An applicant located in the United States may designate itself as the agent for service of process.

** the agent does not have an FRN because they do no other business with the FCC except for acting as a US agent for service of process, and therefore are not required to have their own FRN.
