"....Submit a sketch or photograph showing where the identification label will be placed on the device, pursuant to Section 2.1033(b)(7) of the FCC Rules."

Dear Ms Elliott,

Please find uploaded to your site under "submit correspondence" a copy of this letter and a engineering drawing (LABELLOCATION.pdf) of the bottom plastic for the 5816AP showing the label information, and its location. Please note that the label information is molded into the bottom plastic.

Best Regards,
Greg Barbato
