Gentlemen:

In accordance with 0.459 of CFR 47, TOSHIBA Corporation hereby requests confidentiality of the Operational Description attachment, Tune-up Procedure attachment for the above-reference Certification application.

These documents contain detailed system and equipment description and related information about the product, which Toshiba Corporation considers to be proprietary, confidential, and a custom design and, otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, Toshiba Corporation considers this information to be of benefit to its competitors, such that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours faithfully,

Kyo Ueda
