

Commercial Power of Attorney for the Registration of SD Card

The company **CETECOM GmbH, D-45219 Essen, Germany**, has been contracted by

**Toshiba Europe GmbH
Hammfelddamm 8
41460 Neuss
Germany**

to obtain Type Approval for the following terminal equipment manufactured and released by Toshiba Europe GMBH, Hammfelddamm 8, 41460 Neuss, Germany

Brief Product Description:

SD Card (SD form factor) with integrated Radio device that follows the so called Bluetooth™ standard. This card is able to exchange wireless data with any device that follows the same standard, and can be equipped in any device that carries a suitable interface, such as Computers, printers, digital cameras, etc.

The detailed specifications are submitted with the application for the corresponding type approval.

The authorised persons by CETECOM GmbH to handle the Type Approval process are

- **Mr. Thorsten Stabenau**
- and
- **Mrs. Karin Silberhorn**

This appointment is valid for an unlimited timeframe, commencing with the date of this authorisation, provided, however, that Toshiba Europe GmbH may revoke this authorisation and appointment at any time upon written notice to CETECOM.
