The image shows the back of a black M4 battery. At the top left is the model number 'M4' in large white letters. To its right is a white warning triangle with an exclamation mark. Below these, the text 'No desmonte la batería' (Do not disassemble the battery) is printed. Further down, it says 'Batería Recargable - No Desensamblar' (Rechargeable Battery - Do not disassemble). The specifications listed are 'Marca: M4' (Brand: M4), 'Modelo: M3000A' (Model: M3000A), and 'Capacidad: 3,85Vcc-3000mAh 11.55Wh Ion de Litio' (Capacity: 3.85Vcc-3000mAh 11.55Wh Lithium Ion). A 'Precaución:' (Caution:) section follows, listing five safety instructions in Spanish. To the right of the text are three icons: a recycling symbol, the 'NOM' (Norma Oficial Mexicana) certification mark, and a crossed-out trash can symbol. Below the caution list is a white label with the serial number 'S/N: GY81171106092267' and a barcode. At the bottom, it states 'MFOURTEL MEXICO S.A. DE C.V.' and 'HECHO EN CHINA' (Made in China), with '1ICP4/62/81' printed to the right.
