Re: Supersede request for FCC ID: **CNFGVRC1**; Granted on **09/23/2016**

To Whom It May Concern:

We regret to inform you that due to our client ask more detail test result of human exposure to electromagnetic fields. Therefore, we provided SAR test report to submit.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as **RF Exposure Information (SAR) rev2 & Test Set Up Photo (SAR) rev.**

If you have any questions, feel free to contact us. Thank you.

Regards,

Emily Lin
Specialist
