SUBJECT: FCC ID: CWWP10XXUH1
REFERENCE: REQUEST FOR CLASS II PERMISSIVE CHANGE

To Whom It May Concern:

This will serve as a request for a Class II Permissive change for the above referenced FCC ID.

We would like to add the rule Part 22 to our grant of certification which was inadvertently left off during the original certification.

There have been no changes to the amplifier via hardware or software since the original certification and all test data on file continues to be representative of and applicable to this device.
