

A white line-art illustration of the Shure AONIC 50, Gen 2 headphones is centered on a dark background. The headphones are shown from a three-quarter perspective, highlighting the ear cups, the headband, and the flexible boom microphone. The word "SHURE" is printed on the outer surface of each ear cup and on the top of the headband. A green line starts from the top left, passes through the "SHURE" logo in the top left corner, and continues diagonally across the page. A red line starts from the bottom right and curves upwards towards the bottom left corner.
