

American Telecommunications Certification Body Inc.
6731 Whittier Ave, McLean, VA 22101

January 25, 2006

RE: Inventec Corporation

FCC ID: DGIBC0037AAA000

I have a few comments on this Application. Depending on your responses, kindly understand there may be additional comments.

- 1.) Please supply an RF Exposure exhibit for this filing. Kindly be aware that since the SAR report has not yet been reviewed, there may be additional questions concerning this filing.
- 2.) Please supply a block diagram of just the Bluetooth section of this device.
- 3.) Please supply AC Conducted test setup photos of this device. This is a requirement under ANSI C63.4 for any Part 15 device, including the Bluetooth transmitter.

William H. Graff
President and Director of Engineering

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
