Subject: Request for Confidentiality

FCC ID: DI407403801

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely.

Schematic Diagram
Block Diagram
Theory of Operation
Internal Photos
User Manual
Non-Disclosure Agreement
Parts List/Tune-up Info

Above mentioned document contains detailed system and equipment description are considered as proprietary information in operation of the equipment. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

Regarding internal photos & user's manual, as those materials also contain NEC proprietary information, the disclosure of those materials also might be harmful to our company and would give an unfair benefits to our competitors thus we would like to request for applying special conditions. Our product is non-consumer device and is sold only to our non-consumer customers such as wireless service providers. Our product will be installed at the location where only professional technician is accessible and our User Manual is intended for professional technician of installation, operation and maintenance as described in the User Manual. All sales of the equipment including third party sales are subject to a Non-Disclosure Agreement (NDA) and the final user of the equipment is subject to the NDA.

In additional to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices. We are requesting the commission to grant short-term confidentiality request on the following attachments for 180 days after Grant issue.

External Photos
Test Setup Photos

It is our understanding that all measurement test reports, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.

Best Regards
