Dear Sir or Madam:

Some of the material included in this application contains trade secrets and proprietary information not customarily released to the public. Because public disclosure of the material might be harmful to the applicant and provide unjustified benefits to its competitors, it is requested that the following be withheld from public disclosure:

| Exhibit Type            | File Name                            |
|-------------------------|--------------------------------------|
| Schematic Diagram       | see original FCC grant 2A35D-DWM3001 |
| Block Diagram           | see original FCC grant 2A35D-DWM3001 |
| Parts List              | see original FCC grant 2A35D-DWM3001 |
| Operational Description | see original FCC grant 2A35D-DWM3001 |

Trade secrets and proprietary information can be held confidential. Therefore, we wish to invoke the act under the provisions of 47CFR, Sections 0.457(d) and 0.459.

Please contact the undersigned if you have any questions or need any further information.
