

Please upload an exhibit that explains how does the TCB verify the new agent information:

1- Is the address of the agent a valid physical US mailing address (not a US post office box, not a virtual mailbox, not P.O. Boxes, not a vacant lot, not a public building, etc.)

- We have checked if the address exists in a real and potential building (Google maps) + official US register, after this verification and the evidence below we can guarantee the following:

- ✓ not a US post office box
- ✓ not a virtual mailbox
- ✓ not P.O. Boxes
- ✓ not a vacant lot
- ✓ not a public building(note)

- We checked the FCC FRN Search based on the information provided by the grantee.
