Letter about Confidentiality

**Federal Communications commission
Authorization and Evaluation Division
Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046 U.S.A**

To whom it may concern;

We, Samsung Electro-Mechanics want the applied exhibits- block diagram and circuit diagram to be withheld from public view and to be held in confidence because we have invested much time and money to lay out the PC board because of coupling problems or transmit antenna design.

Sincerely,

A handwritten signature in black ink, appearing to read "Lim JH", written over a horizontal line.
