| Applicant                                               | : OMRON Corporation           |

To Whom It May Concern:

Our client, OMRON Corporation, request for Confidentiality regarding to the above application.  
Accordingly we submit the permissive change application to you in compliance with § 0.459 of the Rules.

We submitted the following documents to you in compliance with § 2.1033 of the Rules.

1. Block Diagram
2. Cover Letters
3. External Photos
4. ID Label/Location Info
5. Internal Photos
6. Schematics
7. Test report
8. Users Manual

However, we request for Confidentiality regarding to **Block Diagrams and Schematics** for the reasons mentioned below;

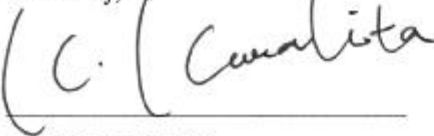

**The Business policy of OMRON Corporation is that these documents of this application should be considered as the company confidential against competitors on business.**

**If these documents could be looked at by competitors, they can steal their information and make the lame imitation easier even if OMRON Corporation developed and designed their equipment spending many costs and a good deal of time.**

Please let us know if there are any problem or we should submit additional document/information to request for Confidentiality.

Your cooperation and kindly consideration would be greatly appreciated as soon as possible.

Sincerely,

Kanako Kawakita
