Equipment Authorization Branch
7435 Oakland Mills Road
Columbia, MD 21046**

Subject	: Request for Adding FCC ID
Original FCC ID	: 2A289-LFW-EXTENSE48
New FCC ID	: E5M-ORBIT-RU-B48
Original Grant Date	: 8-25-2023
Original Applicant	: Atos C/O Atos, BDS MCS CCS DI Products & Projects
New Applicant	: GE VERNOVA MDS, LLC

To Whom it May Concern:

This is a request letter for issuance of an FCC grant for the already granted Eviden PLTE Remote Radio Head under FCC ID 2A289-LFW-EXTENSE48.

We are requesting a change in FCC ID as GE VERNOVA MDS, LLC is rebranding these units under our name. There shall be no modifications to the mentioned electric characteristics and RF characteristics of this device, as it will not be changed at all. It will still be applicable to the original test results to FCC ID: 2A289-LFW-EXTENSE48.

From the reasoning above, please issue the FCC grant for the new FCC ID: E5M-ORBIT-RU-B48
Thank you for your attention to this matter,

Sincerely,

A handwritten signature in black ink, appearing to read "John Harmon", on a light-colored background.

John Harmon
Lead Engineer – Technical and Regulatory Standards
