TOP VIEW **MOUSE**

A square diagram representing the top view of a mouse. The mouse's body is a square, and its head is on the right side. A central point has eight lines radiating outwards, labeled A through H. The lines are: A (up), B (up-left), C (left), D (down-left), E (down), F (down-right), G (right), and H (up-right). The mouse is oriented with its head to the right.
