**Statement In Support Of Application For Change In FCC Identifier
In Accordance With FCC Rule & Regulations Part 2.933
Kirk Handset PP4-2G4 - Multitone Handset CH70**

I hereby declare that in pursuance of our application according to paragraph Part 2.933(a), for a change in the trade name, product identity and FCC ID, of the **Kirk Handset PP4-2G4** to that of **Multitone Handset CH70**, the following is a true statement of the facts:-

- (1) Original Product FCC Identity:- **PXAPP4-2G4**;
Multitone Product FCC Identity:- **E86CH70**
- (2) Date Of Original Grant:- **03/11/2002**
- (3) The Multitone product varies from originally approved product, in cosmetic aspects only. The Multitone logo and name is used on the front of the equipment and a Multitone customised initial screen (software derived), is presented on the display at switch-on. Multitone labelling is also used for the individual product identification.
- (4) The original test results as presented, continue to be representative of the product performance.

Dated this 13th Day Of March 2002

Signed:
