6731 Whittier Ave, McLean, VA 22101

September 4, 2002

RE: Chicony Electronics Co. Ltd.

FCC ID: E8HKBR0133

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please provide a photograph of the back of the transmitter module.
- 2) The schematic does not provide many of the values. Please provide a parts list that goes with the schematics. Additionally, please update the letter of confidentiality to also cover the parts list if desired.
- 3) Please confirm if the device was tested with a new battery.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
