

Statement of Compliance

This equipment has been tested in accordance with the requirements contained in the appropriate commission regulations. To the best of my knowledge, these tests were performed using measurement procedures consistent with industry or Commission standards and demonstrate that the equipment complies with the appropriate standards. Each unit manufactured, imported, or marketed, as defined in the Commission's regulations, will conform to the sample(s) tested within the variations that can be expected due to quantity production and testing on statistical basis. I further certify that the necessary measurements were made by a qualified representative of Motorola and verified at the EMI Research & Development Laboratory, Florida Atlantic University P.O. box 3091, Boca Raton, Florida 33431.
