I am an electromagnetic compatibility test engineer for MIKES Product Service GmbH, Strasskirchen, Germany. My education and experience are a matter of record with the Federal Communications Commission.

MIKES Product Service GmbH has been authorized to act on behalf of AKG Acoustics U.S. to make FCC Part 74.861 certification measurements on the wireless microphones „PT81, HT81, PT61, HT61“.

Test data required by the FCC for Certification is included in this test report.

These tests were made by me or under my supervision at MIKES Product Service Laboratory, which is registered with the FCC under Paragraph 15.247 of the FCC Rules.

It is submitted that the above equipment meets FCC requirements and Certification is hereby requested.
