Re: Application for Low Power Short Range Device Certification (Part 15, Subpart C) -
E9USER610

Motorola, Inc., Integrated Information Systems Group, 8201 E. McDowell Rd, Scottsdale, Arizona 85252 herein submits this application for Equipment Authorization under FCC Rule Part 15, Subpart C for this Unlicensed Low Power Transmitter, FCC ID: E9USER610. This application is being submitted to ITS under the FCC Public Notice, DA 00-1223, allowing Telecommunication Certification Bodies (TCB) to certify specific equipment including Unlicensed Radio Frequency Devices under Scope A1. The *Flexpass*™ Serial Mid-Range Reader, aka Serial 610, is manufactured by Indala Corporation, a wholly owned subsidiary of Motorola, Inc., located at 3041 Orchard Parkway, San Jose, CA 95134-2017.

In addition to confidentiality for the entire application prior to grant (per 47CFR0.457(d)(1)(ii)), Motorola requests, pursuant to 47CFR0.459, post-grant confidentiality for identified sections of the filing material contained in this application with this material being withheld from public inspection following the grant of this authorization. This material includes Exhibit 4, Block Diagrams and Exhibit 5, Schematic Diagrams, including any layout drawings. Specifically, these exhibits contain information relating to circuit function and complexity that could be of benefit to competitors. This material contains Motorola trade secrets and confidential information that is not customarily released to the public and which, otherwise, is not generally available to the public.

Please contact me by telephone at (480) 441-8761, by facsimile at (480) 441-3625, or by email at brian.martin@motorola.com if there are any questions or additional information needed regarding this filing.

Sincerely,

Brian Martin
EMC Engineer
