Request for Confidentiality
For FCC ID
E9UX200

CANADA ID
4290A-X200

This is a request that the xX200-ttscf Mifare Reader below submitted materials be withheld from Public Inspection.

This request is pursuant to CFR Title 47, Part 0.459, for the FCC Request and is also for any other country where such a request can apply.

1. Technical and functional description of how the device operates
2. Description of the Ground System/s
3. Description of the Antenna/s
4. Block Diagram
5. Schematic/s

These materials are considered Indala Corporation Proprietary and Confidential. Revealing the fundamental design for this product to the public and our competition would put us at a competitive disadvantage. We feel we have a product cost/design advantage over our competition with our Proximity Readers and therefore ask that the above-specified materials be withheld from public inspection.
