

Model Confirmation Letter

Hereby, we, Nice North America LLC, declare that for model MTS1 and MTS3 belong to the same product series. Both models adopt identical mainboard hardware design and share the same unique ID. There is no difference in electrical performance, hardware structure, radio frequency parameters and functional principles between the two models.

The only difference between the two models lies in the number of physical keys: the MTS1 model is equipped with 1 key, while the MTS3 model is equipped with 3 keys. The main testing model is MTS3.
