

EXHIBIT D – FCC ID Label

FCC ID EJM123120349

Bigtow FCC ID Label

intel®

Intel is a registered trademark of
Intel Corp. in the US and other countries.

P/N: A25777

S/N:

To connect a device:

1. Make sure the Base Station's ready light is on.
2. Press the Connect button on the Base Station.
3. Press the Connect button on the device.

The Connect light on the Base Station will blink
faster to confirm successful connection.

Troubleshooting:

No lights: Check power supply.

Ready light blinks: Check the USB connection. Turn on computer.

Batt low light blinks: A connected device has low batteries.

Check Intel Wireless Control Panel software for more details.
