To whom it may concern:

Dear Sir or Madam,

We, SDI Technologies Inc., hereby declare the similarities of products of Bluetooth Stereo Alarm Clock with Qi Wireless, Speaker Phone and USB Charging, Model: iBTW41 (FCC ID: EMOIBTW41B) and Model: iBTW41 (FCC ID: EMOIBTW41A)

The EUT was modified based on the certified device (FCC ID: EMOIBTW41A). The only difference is that the WPT board was changed. The change made to the device does not affect the RF characteristic of Bluetooth. So all the RF conducted data and RSE above 1GHz please refer to the report RSZ200504K08-00B.

We confirm that all information above is true, and we'll be responsible for all the consequences. Please contact me if you have any question.

Sincerely Yours,
