Fax : (352) 472-2030

Dear Sharon,

Re : FCC Part 15 verification testing and FCC Part 68 listing of the new telephone model : HAC
CORDLESS MICKEY MOUSE TALKING ANIMATED 900MHZ TELEPHONE.

This is to confirm that the Resistor R9 will be changed from 10 ohm to 22 ohm in the final
production of the Cordless Mickey Mouse Talking Animated 900Mhz Telephone.

We thank you again for your prompt service.

Yours sincerely
KCL TECHNOLOGY LTD.

Raymond Leung
