Subject: Request for Class 2 Permissive Change
FCC ID: E090W3

Dear Sir/Madam:

Itron hereby requests a C2PC for a Limited Modular Transceiver for an Automatic Meter Reading pole top router device, FCC ID: E090W3. This change is to add a new modulation that can be added to devices through controlled firmware download, no hardware changes are needed. All emissions and related specifications were evaluated with the change and remain compliant. See reports included with this filing.

Sincerely,

A handwritten signature in black ink, appearing to read "Jay R. Holcomb", is written over a light blue horizontal line.
