Dear Mr. Danisi,

Timex Corporation hereby requests that the following documentation, submitted to the FCC, Industry Canada, or any other country communication authority in support of the Timex M185 GPS Transceiver product, be classified as confidential:

- Schematic diagrams
- Block diagrams
- Product Specifications
- Bill of Materials

The reason for not making this information public is to prevent our competitors from gaining access to proprietary information.

Sincerely,

A handwritten signature in dark ink, appearing to read "John Davino", is written over the printed name.
