- The **ON/OFF** light of baby unit turns on.

BASIC OPERATION - PARENT UNIT

Adjust speaker volume

Press **+** or **-** to adjust your parent unit speaker volume.

The sound sensitivity setting also affects the speaker volume. For details, refer to **Sound sensitivity and sound activation**.

Zoom

Press **+** to zoom in or out.

Use the menu

Press **Menu** to enter the menu, choose a menu item, or save a setting. You can use the parent unit for advanced settings or operations, such as to play or stop the baby unit's lullaby, or to adjust the baby unit's sound sensitivity.

While in the menu:

- Press **A** or **B** to scroll among the menu options.
- Press **Menu** or **Back** to select an item.
- Press **Exit** to return to the menu menu or talk screen.

Talk to your baby unit

Press **Talk** to talk and speak to your parent unit. Your voice is transmitted to the baby unit.

Turn off the screen

Press **Screen OFF** to turn off the screen. You can still hear sound from the baby unit.

Tip

- Press **Hold** to keep the parent unit to turn off the screen again.

OVERVIEW - PARENT UNIT
