Extra-long battery life

Buzzer alert on handset (sold separately) when button is pressed

CareLine®

One-button emergency calls

One-button emergency calls

Call for help when you can't get to the phone. Press the SOS button, and the handset and base speakerphones (sold separately) will dial up to five numbers in sequence. When someone picks up, you can talk into the nearest speakerphone, or set a pre-recorded message to play. Enjoy peace of mind that you can reach loved ones even if you can't reach the phone with this accessory device.

Weather resistant

The pendant is splash proof, so you can bring it into the shower or use it near a sink and not worry.

Accessory device only

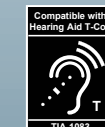

Requires an SN5127 or SN5147 series phone to operate.
