Applicant's declaration concerning RF Radiation Exposure

We hereby indicate that the product
USB7100 Handset
is considered to be a portable part.

The internal antennas must not be co-located or operating in conjunction with any other antenna or transmitter.

A safety statement will be integrated in the user's manual to provide end-users with transmitter operating conditions for satisfying RF exposure compliance.

The appropriate information can be drawn from the test report no. and the accompanying calculations.
