

EWQ100GTC / 864D-100GTC Antenna Datasheet

Manufacturer

Itron, Inc.
2401 N. State St.

Model Number

Itron integral PCB antennas do not have a part number. Integral antennas are part of the PCB layout files and internal layout libraries.

Electrical Specifications

Table 1: Specifications

Parameter	Typ.	Unit
Peak Gain	2.23	dBi
Impedance	50	Ohms
Type	Patch	
Polarization	Vertical	
Frequency	900-930	MHz
Operating Temp	$-40^{\circ}C$ to $+70^{\circ}C$	

¹ Based on characterization data, not tested in production.
