Subject: Request for new certification
FCC ID: EWQ500GAC

Dear Sir/Madam:

Itron hereby requests a new certification for an Automatic Meter Reading endpoint device for utility meters, FCC ID: EWQ500GAC.

There are two models that differ only in packaging, to allow mounting on different manufacturer's gas meters. The RF circuitry and performance are the same for both models.

Sincerely,

A handwritten signature in black ink that reads "Jay R. Holcomb".
