Subject: Request for Certification, FCC ID: EWQINTELISG2

Dear Sir or Madam,

Itron hereby requests a new Certification for Intelis™ Gas meter with FCC ID: EWQINTELISG2. Itron's Intelis™ Gas Meter has an integrated radio and the meter is sold under different catalog numbers. There is no difference in the radio operation or characteristics with different catalog numbers. The differences are for gas pipe connections and pressure sensing. All three meter bodies were utilized during testing and the results report the meter body producing the highest total transmit power. The Intelis™ Gas meter is in compliance with appropriate FCC rules and regulations.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Bomsta", with a long horizontal flourish extending to the right.

Daniel R. Bomsta
