ENGINEERING STATEMENT of NORWOOD J. PATTERSON

Re: Equipment Authorization FCC ID: F34MSHIFTXX

This application is to document the purchase of equipment from Com-Dev with FCC ID: JAA-90010000XX. On or about July 1, 2003 SR Telecom purchased the original equipment, and an FCC application was filed with submission of the following:

1. Filing Fee with SR check #045217 made payable to the FCC;
2. Certified Drug Statement;
3. Authorization of Norwood J. Patterson as Agent.

No response was ever received from the Commission; however, SR Telecom's check #045218 was cashed by the FCC. Enclosed is a copy of the paid check.

After no response from the FCC, the undersigned made a telephone call to the Commission and was informed that an FCC form 731 must be filed since SR Telecom wants to use its own label with production and sale of the referenced equipment. Both the 731 form and FCC form 159 are filed herewith, and the \$525.00 filing fee has been paid on the 159 via our credit card authorization.

It is requested that transfer of the equipment and enclosed modified label be promptly approved upon receipt of this application. Please communicate directly with the undersigned if you have any questions.
