Digivance LRCS
Host Unit - PCB
Top View4

This image shows the top view of the Digivance LRC5 Host Unit PCB. The board is green and populated with numerous electronic components. Key components visible include:

- Capacitors:** Several electrolytic capacitors are present, including a large 1000µF capacitor at the top center, a 330µF capacitor at the bottom left, and a 1000µF capacitor at the bottom right. There are also many smaller ceramic capacitors throughout the board.
- Resistors:** Numerous resistors of various values are distributed across the board, often marked with alphanumeric codes.
- Integrated Circuits (ICs):** Several ICs are visible, including a large black IC labeled "IDT 72V263" in the center, a "74V25CZ-100" IC at the bottom right, and various other logic and control chips.
- Connectors:** A large multi-pin connector is located at the top center, and several other connectors are visible along the edges.
- Other Components:** The board includes various other components such as diodes, transistors, and surface-mount components.

The board is labeled with various part numbers and identifiers, such as "C709", "C749", "C444", "U104", "C436", "C439", "C438", "C437", "C435", "C434", "C433", "C432", "C431", "C430", "C429", "C428", "C427", "C426", "C425", "C424", "C423", "C422", "C421", "C420", "C419", "C418", "C417", "C416", "C415", "C414", "C413", "C412", "C411", "C410", "C409", "C408", "C407", "C406", "C405", "C404", "C403", "C402", "C401", "C400", "C399", "C398", "C397", "C396", "C395", "C394", "C393", "C392", "C391", "C390", "C389", "C388", "C387", "C386", "C385", "C384", "C383", "C382", "C381", "C380", "C379", "C378", "C377", "C376", "C375", "C374", "C373", "C372", "C371", "C370", "C369", "C368", "C367", "C366", "C365", "C364", "C363", "C362", "C361", "C360", "C359", "C358", "C357", "C356", "C355", "C354", "C353", "C352", "C351", "C350", "C349", "C348", "C347", "C346", "C345", "C344", "C343", "C342", "C341", "C340", "C339", "C338", "C337", "C336", "C335", "C334", "C333", "C332", "C331", "C330", "C329", "C328", "C327", "C326", "C325", "C324", "C323", "C322", "C321", "C320", "C319", "C318", "C317", "C316", "C315", "C314", "C313", "C312", "C311", "C310", "C309", "C308", "C307", "C306", "C305", "C304", "C303", "C302", "C301", "C300", "C299", "C298", "C297", "C296", "C295", "C294", "C293", "C292", "C291", "C290", "C289", "C288", "C287", "C286", "C285", "C284", "C283", "C282", "C281", "C280", "C279", "C278", "C277", "C276", "C275", "C274", "C273", "C272", "C271", "C270", "C269", "C268", "C267", "C266", "C265", "C264", "C263", "C262", "C261", "C260", "C259", "C258", "C257", "C256", "C255", "C254", "C253", "C252", "C251", "C250", "C249", "C248", "C247", "C246", "C245", "C244", "C243", "C242", "C241", "C240", "C239", "C238", "C237", "C236", "C235", "C234", "C233", "C232", "C231", "C230", "C229", "C228", "C227", "C226", "C225", "C224", "C223", "C222", "C221", "C220", "C219", "C218", "C217", "C216", "C215", "C214", "C213", "C212", "C211", "C210", "C209", "C208", "C207", "C206", "C205", "C204", "C203", "C202", "C201", "C200", "C199", "C198", "C197", "C196", "C195", "C194", "C193", "C192", "C191", "C190", "C189", "C188", "C187", "C186", "C185", "C184", "C183", "C182", "C181", "C180", "C179", "C178", "C177", "C176", "C175", "C174", "C173", "C172", "C171", "C170", "C169", "C168", "C167", "C166", "C165", "C164", "C163", "C162", "C161", "C160", "C159", "C158", "C157", "C156", "C155", "C154", "C153", "C152", "C151", "C150", "C149", "C148", "C147", "C146", "C145", "C144", "C143", "C142", "C141", "C140", "C139", "C138", "C137", "C136", "C135", "C134", "C133", "C132", "C131", "C130", "C129", "C128", "C127", "C126", "C125", "C124", "C123", "C122", "C121", "C120", "C119", "C118", "C117", "C116", "C115", "C114", "C113", "C112", "C111", "C110", "C109", "C108", "C107", "C106", "C105", "C104", "C103", "C102", "C101", "C100", "C99", "C98", "C97", "C96", "C95", "C94", "C93", "C92", "C91", "C90", "C89", "C88", "C87", "C86", "C85", "C84", "C83", "C82", "C81", "C80", "C79", "C78", "C77", "C76", "C75", "C74", "C73", "C72", "C71", "C70", "C69", "C68", "C67", "C66", "C65", "C64", "C63", "C62", "C61", "C60", "C59", "C58", "C57", "C56", "C55", "C54", "C53", "C52", "C51", "C50", "C49", "C48", "C47", "C46", "C45", "C44", "C43", "C42", "C41", "C40", "C39", "C38", "C37", "C36", "C35", "C34", "C33", "C32", "C31", "C30", "C29", "C28", "C27", "C26", "C25", "C24", "C23", "C22", "C21", "C20", "C19", "C18", "C17", "C16", "C15", "C14", "C13", "C12", "C11", "C10", "C9", "C8", "C7", "C6", "C5", "C4", "C3", "C2", "C1".
