Gentlemen:

SchlumbergerSema, Inc respectfully requests confidentiality of certain materials provided with the submission of the CENTRON OOK Module, installed in a CENTRON 2S Meter, under FCC ID: F9CC1C-3 in accordance with FCC Regulations 0.0457 and 0.459. The confidentiality request applies to the following items:

- Schematics entitled "S15712"
- Theory of Operation entitled "Theory Of Operation for Centron OOK"
- System Block Diagram entitled "CENTRONTM OOK Block Diagram"

The CENTRON OOK Module has been developed at considerable effort and expense by SchlumbergerSema, Inc. These items are considered as Trade Secrets and therefore public access to the proprietary material could possible result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

Name: Daniel M. Lakich
