Dear Mr. Chiou:

Our office has reviewed your letter dated February 9, 2012 along with your supporting documentation for the Alltek Marine Electronics, Automatic Identification System (AIS) Aids to Navigation (AtoN) equipment. Based on the manufacturer's documentation and test results, our office is satisfied that the following Alltek Marine AIS AtoN equipment meets standards equivalent to those found in Title 47 Code of Federal Regulations (CFR) Part 80.1101, as applicable for this equipment.

Product name:
AMEC MANDO-301
AMEC MANDO-303

Trade names:
Tideland Informer V10-1
Tideland Informer V10-3

This equipment has been successfully tested and certified to IEC 62320-2 by Bundesamt fur Seeschiffahrt und Hydrographie (BSH). Please note that this equipment is not subject to U.S. Coast Guard type-approval per Title 46 CFR Part 159.005 nor should it be marketed as having received such type-approval. Further certification of this equipment is required by the Federal Communications Commission (FCC).

If you have any further questions concerning this matter please contact Mr. Maurice Ponder at (202)-372-1384.

Sincerely,
