

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

Solder Board-Component View 1	 A photograph showing a soldered component on a blue circuit board. A black braided cable is connected to a small electronic component. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The ruler has markings for 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100 mm. The component is located between the 10 mm and 20 mm marks.
Solder Board-Component View 2	 A photograph showing a soldered component on a blue circuit board, similar to the first view. A black braided cable is connected to a small electronic component. A black ruler with white markings is placed horizontally below the component, showing measurements in millimeters. The ruler has markings for 10, 20, 30, 40, 50, 60, 70, 80, 90, and 100 mm. The component is located between the 10 mm and 20 mm marks.
