Subject: Requesting Class II permissive change for FCC ID: FKGU1101

To Whom It May Concern:

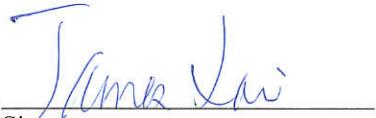

We, Twinhead International Corporation hereby declare that the intention of this Class II Permissive Change is to add a host: Tablet (Model: U11XXXXXX (X=0-9, A-Z,a-z, Blank) / Brand: DURABOOK) to the certified module which was originally granted on 05/10 /2023 under FCC ID: FKGU1101.

The modules mentioned above have been approved and are electronically and mechanically identical to the original instructions and requirements. Therefore, we, Twinhead International Corporation, take the responsibility to ensure each module complied with all requirements after integration in the host and when modules are transmitting simultaneously.

Software security remains unchanged from the original filing.

Please contact me if you have any questions or need further information regarding this application.

Best Regards
