

VTech Electronics Limited
FCC Class II Permissive Change Request Letter

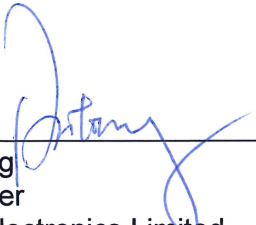

DATE :2026.07.14

To FCC:

RE: FCC Permissive II Change Request for Company: VTech Electronics Limited
FCC ID: G2R-5817

We are submitting an application for a class II permissive change to the FCC approval of the Company name:
VTech Electronics Limited
Product description: Karaoke Light Party
FCC ID: G2R-5817
Original Grant Date: 05/29/2025).

Based on the original project. The change is: The product needs to add the FM function. Previously, this function was pre-installed on the PCB mainboard. This time, an FM antenna has been added, while other hardware components remain unchanged. Considering RF module has not changed, RF specifications are the same. Spurious emissions have been re-performed.
