

Talk to a real person
Need to talk to a real person now? Call 800.922.0204
to talk to a Verizon Customer Representative.

The Verizon Home app
Download the app from the Apple® App Store®
or Google Play™ Store.
The app lets you manage connected Wi-Fi and smart
home devices, create smart home routines, manage
users and more!

From the admin website
Go to <http://my.smarthub> to manage your SmartHub's
functions from your computer or tablet. Add users,
change access rights, review data usage and more.
NOTE: You need to be connected to your
SmartHub's Wi-Fi network to use the website.

Need More Information?

Get started

1 Plug in your
SmartHub

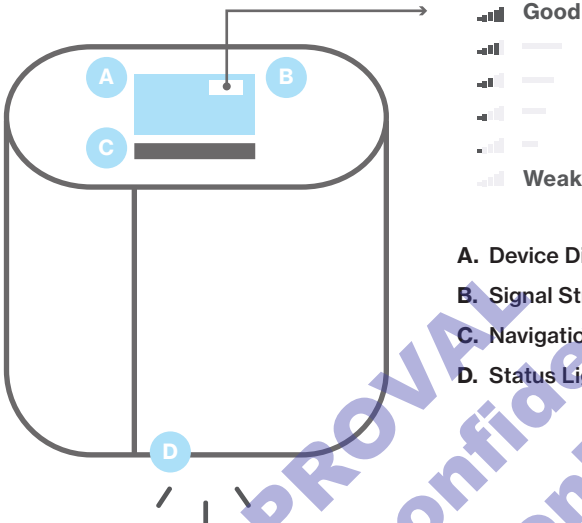

2 Set up your
SmartHub using
the onscreen
instructions

3 Download the
Verizon Home
app to your
smartphone
