Columbia MD 21046-1609

Subject: Product AFC Declaration Letter

FCC ID: G95BGW620

To whom it may concern:

We, Vantiva USA LLC, hereby declare that

- 1) The product BGW620 with FCC ID "G95BGW620" will fully comply with the Persistent Inquiry Approval requirements for the Qualcomm Technologies, Inc. Automated Frequency Coordination (AFC) geolocation solution service.
- 2) This device will contact an AFC system at least once per day to obtain the latest list of available frequencies and the maximum permissible power the standard power access point or fixed client device may operate with on each frequency at the standard power access point and fixed client device's location. If the standard power access point or fixed client device fails to successfully contact the AFC system during any given day, the standard power access point or fixed client device may continue to operate until 11:59 p.m. of the following day at which time it must cease operations until it re-establishes contact with the AFC system and re-verifies its list of available frequencies and associated power levels. (see Appendix for more information)
- 3) This device will automatically acquire geolocation and re-register with AFC to obtain frequency and power values after a power cycle.

Sincerely,

Signed by:
